1. The Original

The SchenkAIR GmbH was founded by Dr. Christian Schenk (Specialist in trauma surgery) and is now one of the most innovative airlines in Austria. SchenkAir currently operates two modern helicopters of the type 'Agusta Westland AW 109 SP'.

Our commitment applies primarily to the well-being and the satisfaction of our customers and patients. Excellent safety, top quality and friendly customer service are self-evident.

SchenkAir is a partner company from 'Sanatorium Dr. Schenk' in Schruns which is one of Europe's most recognized specialty hospitals focusing on sports injuries. The latest medical equipment and diagnostics such as MRI guarantee an absolutely efficient treatment.

Each year, Dr. Schenk and his team about 2,000 patients operated on, which are around 400 flown by emergency helicopter. Since the existence of sanatorium, the number of operated patients amounts to more than 34,000.

directory structure:

```
<X-Plane-Verzeichnis>/
  Custom Scenery /
    LOIQ - Schenkair Feldkirch 2.0/
